Gender equity survey questions

Gender equity survey questions

You can adapt the following survey questions as relevant to your practice/department.

Do not include this cover-page.

Please remove all **guidance text (in red and marked with XXX)** prior to use/submission.

XXX Department Gender equity survey questions

We are very grateful for your time and effort in completing this survey which will help us gain a clearer picture of the current state of gender equity within our anaesthetic department. The survey consists of multiple-choice questions with optional free text comments and should take less than 10 minutes to complete. We encourage you to answer as honestly as possible and answer all questions, but no question is compulsory. Your responses should consider your entire anaesthesia career, including your training, unless a question indicates otherwise.

Please note that this survey includes some potentially sensitive questions on inappropriate workplace behaviours and impact of career on childbearing and family. We remind you of the resources available through ANZCA and your workplace to support you should these raise any issues for you. The [ANZCA Doctors' Support Program](#) can be contacted on 1300 687 327 in Australia or 0800 666 367 in New Zealand, or eap@convergeintl.com.au, or please contact your local health district employee assistance program. Given the survey is anonymous we are unable to follow up any specific incidents or complaints so please do not name any specific incidents or individuals in the optional free text comments. If you would like to follow up a specific issue or make a complaint about inappropriate workplace behaviour, please contact your head of department or local hospital Human Resources Department.

A. DEMOGRAPHICS

1. What is your gender?

Male

Female

Non-binary or other

2. What is your age?

20 – 29 years

30 – 39 years

40 – 49 years

50 – 59 years

>= 60 years

3. In what decade did you obtain your specialist anaesthetic qualification (e.g. FANZCA or equivalent specialist qualification)?

2000 or prior

2001-2010

2011-2020

2020-present

B. ANAESTHETIC CAREER

4. How many hours of paid work do you do per week?

≤10 hours

11-20 hours

21-30 hours

31-40 hours

41-50 hours

51-60 hours

>60 hours

5. Of the total number hours of paid work you do each week, what is the distribution of the hours you work in:

Public clinical work	0-25%	26-50%	51-75%	>75%
